

# Distributor of Agilent Total Solution of Lab Testing

Gas Chromatograph

Liquid Chromatography

Atomic Spectroscopy

GC/MS system

LC/MS system

- Agilent Gas Chromatograph
- Agilent Liquid Chromatography
- Agilent Dissolution Testing System
- Agilent GC/MS system
- Agilent LC/MS system
- Agilent Atomic Spectroscopy
- Agilent Molecular Spectroscopy
- Agilent Automation Solutions
- Agilent Seahorse Series
- Agilent Automated Electrophoresis and Capillary Electrophoresis
- Agilent qPCR
- Agilent Microplate Detection, Imaging Analysis and Automation
- Agilent Novocyte Series, xCELLigence Series
- Agilent Vacuum Technology
- Agilent software and laboratory informatization
- Agilent sample preparation, columns and consumables
- Agilent Instrument Systems Service and Support

Fully Automatic Incubator

Automation Solutions

Capillary Electrophoresis

Imaging Analysis

xCELLigence Series

Novocyte Series

FTIR spectrometers and microscopes

FT-NIR spectrometers

Raman spectrometers and microscopes

Vacuum FIR/THz spectrometers

Gas analysis and remote sensing systems
